Ellen B. asks: "What should I do for deep lines under my eyes and across my forehead?" Such lines, and all wrinkles, are best obliterated by bathing affected portions in a good astringent and tonic lotion, which strengthens and draws in the relaxed tissue, Here's a reliable formula: I oz. powdered saxolite, ½ pt. witch hazel; mix and use daily until entirely relieved.

Minnie L.: The undue redness as well as the pimples, may easily be removed by using ordinary mercolized wax. Apply nightly like cold cream and érase mornings with warm water. Soon you'll have a beautifully white, clear, soft and velvety complexion. Mercolized wax, sold by all druggists, is better than cosmetics for any complexion trouble. One ounce suffices for most conditions.—Woman's Realm.—Advertisement.

Alexandria Chamber of Commerce Will Be Represented at Meeting in Richmond.

Meeting in Richmond.

[Special to The Times-Dispatch.]

Alexandria, Va., October 14.—A committee from the Chamber of Commerce will attend a meeting to be held in Richmond in the near future, when the question of a more equitable system of taxation will be discussed and the matter brought to the attention of the coming session of the Legislature with a view of remedying existing conditions. As the matter now stands the burden of taxation is thrust upon twenty-nine out of the 100 counties and the seventeen cities in the State, seventy-one counties last year being a drain on the State.

A committee has been appointed by this organization to see what can be done to aid the construction of this end of the Richmond to Washington highway.

The sixth annual banquet of the alumnae of St. Mary's Academy will be held at that institution to-morrow night, and will be attended by sixty members of the association.

After its annual summer recess, since August 12 last, the first regular business session of the City Council was held to-night.
